

Short Course Cancer Care and the Family Practitioner

CAPE TOWN | SOUTH AFRICA

29 July - 20 October 2024

The short course is offered by the Division of Family Medicine and Primary Care, Faculty of Medicine & Health Sciences, Stellenbosch University. This course aims to equip, update and refresh the family practitioner for the critical role of coordinating the cancer patient's journey, at primary care level, from early diagnosis through to advanced disease.

WHO CAN ATTEND?

- General practitioners in private practice; Medical officers working in primary care in the public sector; Family physicians; Post-graduate students in Family Medicine
- Duration of the course is 12 weeks. The course is delivered by distance education via the internet and there is no face-to-face contact at the university (E-learning)

ASSESSMENT:

- Will be based on one written assignment and participation in online discussions. There will be no written examinations. Successful completion will lead to a Certificate of Competence.

APPLICATION (REGISTRATION) DEADLINE:

- Will close on 15 July 2024. Please complete and return the application form.

CONTINUING PROFESSIONAL DEVELOPMENT (CPD) ACCREDITATION:

- This short course is accredited for Continuing Education Units (CEU) – both 25 general and 5 ethics in Level 1.

COURSE FEES:

- R4500.00
