

TABLES

LIST OF TABLES

Table 3.1	The gender of children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.2	The gender of children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.3	Relationship of the interviewee to the child in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.4	Relationship of the interviewee to the child in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.5	Relationship of the interviewee to the child in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.6	The household member mainly responsible for feeding/serving the child in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.7	The household member mainly responsible for feeding/serving the child in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.8	The household member mainly responsible for feeding/serving the child in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.9	The household member mainly responsible for food preparation in the house in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.10	The household member mainly responsible for food preparation in the house in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.11	The household member mainly responsible for food preparation in the house in children aged 1 – 9 years nationally and by province: South Africa 1999

Table 3.12	The household member who decides on what type of food to buy for the household in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.13	The household member who decides on what type of food to buy for the household in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.14	The household member who decides on what type of food to buy for the household in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.15	The household member who decides on how much to spend on food in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.16	The household member who decides on how much to spend on food in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.17	The household member who decides on how much to spend on food in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.18	The fieldworker's impression of the child being healthy in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.19	The fieldworker's impression of the child being healthy in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.20	The fieldworker's impression of the child being healthy in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.21	The reasons given by the fieldworker as to why the child was not considered healthy (n = 76)
Table 3.22	The marital status of the mother in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.23	The marital status of the mother in children aged 1 – 9 years nationally and by age groups: South Africa 1999

Table 3.24	The marital status of the mother in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.25	The household headship in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.26	The household headship in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.27	The household headship in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.28	The employment status of father in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.29	The employment status of father in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.30	The employment status of father in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.31	The employment status of mother in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.32	The employment status of mother in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.33	The employment status of mother in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.34	The education level of the mother in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.35	The education level of the mother in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.36	The education level of the mother in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.37	The education level of the caregiver in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.38	The education level of the caregiver in children aged 1 – 9 years nationally and by age groups: South Africa 1999

Table 3.39	The education level of the caregiver in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.40	The monthly household income in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.41	The monthly household income in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.42	The monthly household income in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.43	The number of household members contributing to the total monthly household income in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.44	The number of household members contributing to the total monthly household income in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.45	The number of household members contributing to the total monthly household income in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.46	The amount of money spent on food weekly in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.47	The amount of money spent on food weekly in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.48	The amount of money spent on food weekly in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.49	The type of dwelling in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.50	The type of dwelling in children aged 1 – 9 years nationally and by area of residence [respondents who volunteered a second choice (n = 314)]: South Africa 1999

Table 3.51	The type of dwelling in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.52	The type of dwelling in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.53	The number of household members sleeping in the house and the number of rooms in the house (excluding bathroom, toilet and kitchen) in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.54	The number of household members sleeping in the house and the number of rooms in the house (excluding bathroom, toilet and kitchen) in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.55	The number of household members sleeping in the house and the number of rooms in the house (excluding bathroom, toilet and kitchen) in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.56	The number of household members per living/sleeping room in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.57	The number of household members per living/sleeping room in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.58	The number of household members per living/sleeping room in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.59	The source of drinking water in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.60	The source of drinking water in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.61	The source of drinking water in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.62	The type of household toilet in children aged 1 – 9 years nationally and by area of residence: South Africa 1999

Table 3.63	The type of household toilet in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.64	The type of household toilet in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.65	The type of fuel used for cooking in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.66	The type of fuel used for cooking [second alternative (n = 719)] in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.67	The type of fuel used for cooking in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.68	The percentage of households with a working refrigerator/freezer in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.69	The percentage of households with a working refrigerator/freezer in children aged 1 – 9 years nationally and by province: South Africa 1999
Table 3.70	The percentage of households with a working radio or television set in children aged 1 – 9 years nationally and by area of residence: South Africa 1999
Table 3.71	The percentage of households with a working radio or television set in children aged 1 – 9 years nationally and by age groups: South Africa 1999
Table 3.72	The percentage of households with a working radio or television set in children aged 1 – 9 years nationally and by province: South Africa 1999
