

## **Constitutional Compliance Committee (CCC)**

A Task Team in terms of Section 56(2)(e) of the Student Constitution, read with Addendum H of the Student Parliament Constitution.

The terms of reference of the Task Team will be:

- a. To investigate how the proposed amendments to the Student Constitution will impact the current policies, rules, regulations, and Constitutions of the Structures established by Section 3 of the Student Constitution.
- b. To discuss and advise Student Parliament and all Section 3 Structures on how to undertake the process of aligning their policies, rules, regulations, and Constitutions with the newly amended Student Constitution.
- c. To ensure that the procedure followed the the CRC is open, transparent, democratic and abides by the rule of law.

### **Procedure:**

- This committee will function as a forum.
- There will be a minimum of 2 gatherings for this forum.
- The first forum will be used to read and provide preliminary guidance on how the proposed amendments will impact all Section 3 structures.
- The CCC will provide the structures with guidance on how they are to amend their constitutions. Once this guidance has been provided the structures will be given a reasonable time to formulate a document that clearly sets out how they intend to amend their constitutions.
- The CCC will elect a house representative who will keep the house and the Student Parliament Committee updated on the progress of the CCC.
- The CCC will also construct a final report providing a summary of the processes followed and the guidance provided to these section 3 structures.
- This process is to be completed by/on the 1<sup>st</sup> of November 2021.
