APPLICATION FOR 3% REBATE

If study fees for the relevant year of registration are paid in full BEFORE OR ON 31 MARCH, a rebate of 3% will be granted on the study fees only. The application for rebate is only valid for the relevant year of study.

You are kindly requested to complete the section below in full, and to email the completed form as soon as possible to studentaccounts@sun.ac.za, together with the proof of payment for the payments made toward the current year's study fees.

Please note that:

- you cannot apply for a rebate for early payment until the study fees for the year concerned have been paid in full. Once the application has been approved, we will process the 3% rebate on your student account. In other words, the person who settles the study fees may not calculate the rebate themselves and subtract it in advance.
