Registration can only take place after submission and approval of a research proposal. Contact the Department as soon as possible to ensure that there is a suitable supervisor available for the studies.

### Programme Structure

Doctoral degrees in the arts are research degrees culminating in a dissertation. The study as a whole can consist of theoretical work or it can be the result of an integrated study of the creative processes and theoretical work which are reported in a dissertation. The unique nature of the integrated option is derived from the coherence and interdependency of the study of the creative process and theoretical dimensions of the research leading to an original contribution to knowledge and insight into the arts.
